

## Milestones 2.0

### Completed Specialties and Subspecialties and Effective Dates

*This list will be updated as specialties and subspecialties complete the revision of the Milestones.*

#### Effective July 1, 2018

- Neurological Surgery
- Regional Anesthesiology and Acute Pain Medicine

#### Effective July 1, 2019

- Addiction Medicine
- Hospice and Palliative Medicine
- Pathology
- Transitional Year

#### Effective July 1, 2020

- Allergy and Immunology
- Cardiovascular Disease
- Clinical Biochemical Genetics
- Complex General Surgical Oncology
- Dermatology
- Family Medicine
- Laboratory Genetics and Genomics
- Medical Genetics and Genomics
- Ophthalmology
- Radiology - Diagnostic
- Radiology - Interventional
- Sleep Medicine
- Surgery
- Urology

#### Effective July 1, 2021

- Advanced Heart Failure and Transplant Cardiology
- Aerospace Medicine
- Anesthesiology
- Blood Bank and Transfusion Medicine
- Brain Injury Medicine
- Chemical Pathology
- Child Neurology
- Clinical Cardiac Electrophysiology
- Colon and Rectal Surgery
- Critical Care Medicine
- Cytopathology
- Emergency Medicine
- Endocrinology, Diabetes, and Metabolism
- Forensic Pathology
- Gastroenterology
- Geriatric Medicine
- Hematology
- Hematology and Medical Oncology
- Hematopathology
- Infectious Disease
- Internal Medicine
- Internal Medicine – Pediatrics
- Interventional Cardiology
- Medical Microbiology
- Medical Oncology
- Molecular Genetic Pathology
- Musculoskeletal Radiology
- Nephrology
- Neurodevelopmental Disabilities
- Neuroendovascular Intervention
- Neurology
- Neuropathology
- Neuroradiology
- Nuclear Radiology
- Occupational and Environmental Medicine
- Orthopaedic Surgery
- Pediatrics
- Pediatric Pathology
- Pediatric Rehabilitation Medicine
- Pediatric Urology
- Physical Medicine and Rehabilitation
- Psychiatry
- Pulmonary Critical Care
- Pulmonary Disease
- Rheumatology
- Selective Pathology
- Spinal Cord Injury Medicine
- Surgical Critical Care
- Thoracic Surgery
- Transplant Hepatology
- Vascular Neurology
- Vascular Surgery

**Effective July 1, 2022** (additional (sub)specialties may be added through May 2022)

- Abdominal Radiology
- Addiction Psychiatry
- Adult Cardiothoracic Anesthesiology
- Adult Congenital Heart Disease
- Adult Reconstructive Surgery
- Child and Adolescent Psychiatry
- Clinical Informatics
- Clinical Neurophysiology
- Complex Family Planning
- Congenital Cardiac Surgery
- Consultation-Liaison Psychiatry
- Craniofacial Plastic Surgery
- Critical Care Anesthesiology
- Dermatopathology
- Emergency Medical Services
- Epilepsy
- Female Pelvic Medicine and Reconstructive Surgery
- Foot and Ankle
- Forensic Psychiatry
- Geriatric Psychiatry
- Gynecologic Oncology
- Hand Surgery
- Maternal-Fetal Medicine
- Medical Biochemical Genetics
- Medical Toxicology
- Micrographic Surgery and Dermatologic Oncology
- Musculoskeletal Oncology
- Neurocritical Care
- Neuromuscular Medicine
- Neurotology
- Nuclear Medicine
- Obstetric Anesthesiology
- Obstetrics and Gynecology
- Ophthalmic Plastic and Reconstructive Surgery
- Orthopaedic Sports Medicine
- Orthopaedic Surgery of the Spine
- Orthopaedic Trauma
- Osteopathic Neuromusculoskeletal Medicine
- Osteopathic Recognition
- Otolaryngology – Head and Neck Surgery
- Pain Medicine
- Pediatric Anesthesiology
- Pediatric Cardiac Anesthesiology
- Pediatric Dermatology
- Pediatric Emergency Medicine
- Pediatric Orthopaedic Surgery
- Pediatric Otolaryngology
- Pediatric Radiology
- Pediatric Surgery
- Plastic Surgery
- Public Health and General Preventive Medicine
- Radiation Oncology
- Reproductive Endocrinology and Infertility
- Sports Medicine
- Undersea and Hyperbaric Medicine
